### Utility Instructions

Listed below are the local utility companies for your convenience in changing over your utilities.  
 Most changes can be handled over the phone.  
 Sellers are required to maintain utilities "On" until transfer of possession.  
 Upon establishing a moving date/transfer of possession:  
 Seller should notify the respective utility company for final readings as of that date.  
 Purchaser should call and request transfer of utilities to his name as of the same date.
